Sounds good. I will review the Pulse of the Delta article for discussion on Monday.

Hi Diane,  
I'll be coming in person -- it's a short walk from 650 Capitol. Karen, would you like to join us by phone?  
Let us know and Diane can set up a conf. line for you. Les and I originally talked about getting together to  
talk about BDCP. I would also like to talk about the draft Pulse of the Delta article about EPA's response to  
the ANPR that I just sent him. this might not be necessary but it would be a convenient time if it is.

Thanks,  
Erin

Hi Erin,  
I have reserved Monday, March 5 from 1-2 for our meeting. Will you be able to attend in person or  
should I set up a conference line? If you are attending in person, the meeting room is 1410 on the 14th  
floor of the CalEPA building. I believe we have met there before, but if you need directions, please let me  
know. Please also let me know if others will be joining you.

Thanks,

Diane

Hi Diane,

Thanks for your message; my turn to apologize for not getting back to you earlier. Same over here on busy weeks. If Monday March 5 from 1 - 2 is still open, can we confirm that time? I can also do 3-4. Tuesday March 6 is not good for me. If Monday March 5 doesn't work, the following week I have a fairly open calendar.

Thanks,

Erin

Hi Erin,

Les asked me to get back to you about setting up a meeting. I'm sorry we didn't get back to you sooner. This has been a very busy week. Next week does not appear to be good either unless we do not include Mark in the meeting since he is on vacation from Tues to Friday. The first time we all three have availability is Monday, March 5 from 1-2 or 3-4. The afternoon of Tuesday, March 6 is currently open as well. After that, we are into the next week. Please let me know if either of those dates work for you (with Tuesday looking like the better option) and I

will set up a meeting.

Thanks,  
Diane

Hi Les,

It was nice to talk with you last week after the BDCP IMT meeting. Thanks for suggesting that we meet this week to talk more about EPA and State Board coordination on BDCP. I cc'd Diane and Mark on this so they can check their availability and potentially join us.

I have the following blocks of time open this week:

Wednesday 2/22 any time between 10:30 AM and 2:00 PM.

Thursday 2/23 any time between 8:00 AM and 12:00 PM.

Friday 2/24 any time between 11:00 AM and 2:00 PM.

Let me know if anything there works. If there are only times that work after 2 PM Wed-Fri, let me know and I can make arrangements to get something to work then.

Unfortunately, I won't be at the IMT tomorrow and Karen is out of town this week. Hope it is interesting!  
Erin
